

***Ask tsunami experts about their experiences!  
This is a unique opportunity to interact remotely with  
professionals in the tsunami field, from  
scientists to emergency managers...***

A website has been provided to allow you to ask questions at the 2008 National Earthquake Conference Tsunami Session. The website for the session is at [www.earthquakeconference.org](http://www.earthquakeconference.org)

Questions asked before the Tsunami Session will be given to presenters before the session

Questions asked during the Tsunami Session will be reviewed by conference staff, sorted by content and directed to the presenters

**INDIAN OCEAN RIM PRESENTERS:**

Patra Rina Dewi -- KOGAMI (Tsunami-preparedness NGO), Padang, West Sumatra, Indonesia  
Ananda Mallawatantri -- U.N. Development Program, Sri Lanka  
Chairat Sukkuban -- Deputy Mayor Phuket, Thailand (invited)

**HOST PRESENTERS:**

George Crawford -- Washington Emergency Management  
Brian Atwater -- USGS  
Chris Jonientz-Trisler -- FEMA  
Eddie Bernard -- NOAA

**VIEW WEBCAST AND POST QUESTIONS AT:**

[www.earthquakeconference.org](http://www.earthquakeconference.org)

Click on "Tsunami Session - view webcast and post questions" or

You can view the session at no cost at [www.UWTV.org](http://www.UWTV.org) 15 minutes before the session begins

*Note: Not all questions may be able to be asked directly, however, we will try to ensure that all topics raised are addressed.  
You may also comment on the questions of others on the "threaded" discussion pages.*
